ELECTORAL REFORM HEARINGS IN MAYO AND CARMACKS POSTPONED

Whitehorse – The Yukon Legislative Assembly's Special Committee on Electoral Reform's public hearings in Carmacks and Mayo have been postponed.

The in-person hearings in Carmacks and Mayo, planned for July 11 and 13, 2022, will be rescheduled.

> The committee understands that many Yukoners are currently dealing with forest fires, flooding, and landslides, whether they are directly impacted themselves or offering assistance to family and friends. The Special Committee on Electoral Reform looks forward to hearing Yukoners' opinions on voting systems in Mayo and Carmacks at a less stressful time.

> - Kate White, Chair, Special Committee on Electoral Reform

Hearings will also be held in Haines Junction, Teslin, Watson Lake, Dawson City, and Whitehorse.

More information on the committee is available at https://yukonassembly.ca/SCER
