The response is as follows:

Written Question No. 34 (November 15, 2022)

Mr. Dixon, Leader of the Official Opposition

Addressed to the Hon. Mr. Clarke, Minister of Highways and Public Works

With respect to the Nisutlin Bay bridge project:

1. What territorial and federal permits are required to complete the project?
2. Which, if any, permits have been issued to date?
3. If permits have been issued, when were the permits issued?

Response:

The territorial permit required for the project include:

- Water License under the Yukon Waters Act, issued on August 31, 2022.

The federal permits required for the project include:

- Fisheries Act Authorization, issued on October 17, 2022; and
- Approval under the Canadian Navigable Waters Act, issued on November 2, 2022.
