Motion No. #

RE: Major Project Report Cards

at page(s) 3048-3049 of *Hansard*.

The response is as follows:

**Question:**

Major projects, such as the Nisutlin Bay bridge or the Carmacks bypass. The minister talked about the benefit agreement that had been signed with the three First Nations on those three particular projects, and he also talked about the report cards. He talked about the Village of Teslin and the Village of Carmacks. He didn't mention the City of Dawson, so I'll ask about those two in particular. Will those two villages also have input into that report card, or will that report card only have the input of the First Nations in those two respective areas?

**Response:**

Upon completion of the Carmacks Bypass and Nisutlin Bay Bridge Replacement project, the department will endeavour to connect with the Mayor and Council in Carmacks and Teslin to debrief about the success and impact of the project in their community.
