RE: Big Creek Bridge Sub-contractors

at page(s) 3047-3048 of *Hansard*.

The response is as follows:

Question:

Big Creek Bridge – have all of the subcontractors have been paid up to date in regard to that project?

Response:

Payment of subcontractors is a private commercial matter between the general contractor and subcontractor as per their individual subcontracts.

In the event of a subcontractor claim the process is administered by the Department of Highways and Public Works' Procurement Support Centre and the Department of Justice. This process and its requirements are laid out in the Contract and Procurement Regulation.
