Hon. Pauline Frost
Minister of Health and Social Services
P.O. Box 2703
Whitehorse, Yukon Y1A 2C6

Dear Minister Frost,

I have heard from a number of people who have family members residing at Whistle Bend Place. These family members are concerned about some aspects of the care their loved ones are receiving, and have been unsuccessful in resolving these concerns.

Is there a liaison officer on staff who is able to work with families on their concerns and assist with finding satisfactory solutions?

I understand that there was to be an advisory board put together for Whistle Bend Place made up of family members to address similar concerns. Can you tell me if this board is set up and operational, and if so, provide a point of contact for families to raise concerns?

This is a somewhat urgent matter, and I would appreciate if you could look into this as soon as possible.

Thank you for your consideration.

Sincerely,

Patti McLeod
