Motion No. #

RE: Old Crow staffing

at page(s) 963 of *Hansard*.

The response is as follows:

There are two Teacher postings and one EA posting in Old Crow, and one anticipated Teacher posting.

The Principal role has been filled which created a vacancy in the Learning Assistance/Counselling position. This temporary teacher position will be posted in the coming week.

There are two current postings, one for High school Math/Science and one for Gr 4-5-6 both of which have been posted on an on-going basis until filled. There are regular intakes of applicants sent for recruitment review on these postings.

There is one EA posting also posted on an on-going basis until filled, which has recently had an intake for review of applicants which is underway.

The school has effectively been able to ensure learning meets the needs of students through mechanisms within the school of teacher assignments, grouping of students, and through the use of TOCs.
