Tracy McPhee

Minister of Health & Social Services

Dear Minister

I understand we made an error on Wednesday during Question Period regarding the SOGI policy. We had mentioned that the Rainbow Room Students had not received a letter back from yourself in response to one they had written.

We later were able to confirm that you indeed had responded.

I apologize for that oversight on my part.

Please accept this apology.

Sincerely

Kate White

Leader Yukon NDP

MLA – Takhini-Kopper King
