

To the Yukon Legislative Assembly:

This petition of the undersigned shows:

THAT titleholders residing within the Golden Horn Subdivision on RR1 and RR2 zoning want to amend the Golden Horn Local Area Plan and the Golden Horn Development Area Regulation to reduce the minimum lot size to two hectares, as has been done with local area plans in the Whitehorse periphery such as the Mount Lorne Local Area Plan, Hotsprings Road Local Area Plan and the Ibex Valley Local Area Plan and Regulations;

THEREFORE, the undersigned ask the Yukon Legislative Assembly to:

1. reduce the minimum lot size to two hectares for rural residential properties within the Golden Horn Local Area Plan; and
2. amend the Golden Horn Area Development Regulation, to allow for a two hectare minimum lot size for rural residential properties within our area.
