Hon. Nils Clarke  
Minister of Highways and Public Works  
P.O. Box 2703  
Whitehorse, Yukon Y1A 2C6

Dear Minister Clarke,

I am writing in regards to the Dempster Fibre Project and the inclusion of economic benefits for citizens of the Tr'ondëk Hwëch'in First Nation (THFN).

While I understand that the THFN has been actively involved in the planning process, I would like to better understand how the contract for the construction of the project will provide economic benefits for the THFN.

Can you please provide information about what direct economic benefits have been created so far, and what citizens of the THFN can expect going forward? Is there a provision in the contract that ensures these economic benefits?

Thank you for your attention to this matter.

Sincerely,

Stacey Hassard  
MLA Pelly-Nisutlin
