Mr. Currie Dixon, MLA  
Chair, Standing Committee on Public Accounts  
Yukon Legislative Assembly  
Box 2703  
Whitehorse Yukon Y1A 2C6

Dear Mr. Dixon,

With a view to assisting the Standing Committee on Public Accounts with planning its activities, I am writing to provide an update on the Auditor General's current and future performance audits of the Yukon Government.

1. The Office is currently working on a performance audit on procurement and contracting in the Yukon Government. This audit seeks to examine whether Government of Yukon organizations created a competitive procurement environment and made procurement and contracting decisions that resulted in value for money for Yukoners. I anticipate this audit will be presented to the Legislative Assembly this fall.
2. The Office is also planning a performance audit of the Yukon Nominee Program and Yukon Business Nominee Program at the Department of Economic Development. The scope and timing of this audit have yet to be finalized. On a preliminary basis, we are expecting that this audit will be presented to the Legislative Assembly in Fall 2025. We will provide another update as our audit work advances.
3. We have selected another audit topic that we are hoping to cover in 2025. We are working on assigning audit resources to complete this second performance audit. It is currently our plan for this audit to be ready for Fall 2025.

Please do not hesitate to contact me should you have any questions regarding our work.

Yours sincerely,

Andrew Hayes  
Deputy Auditor General
