**SPEAKER'S STATEMENT****Changes to the Order Paper – Withdrawal of motions**

Prior to proceeding with the Daily Routine, the Speaker made the following statement regarding changes made to the Order Paper.

“Prior to proceeding with the Daily Routine, the Chair wishes to inform the House of changes made to the Order Paper. Yesterday, the Member for Whitehorse West tabled a motion dealing with the supplementary budget that is currently before the Assembly.

For the reference of all members, in the 6<sup>th</sup> edition of *Beauchesne's Parliamentary Rules and Forms*, it states in paragraph 563: ‘A debate on a motion effectively blocks debate on another notice of motion when both deal with essentially the same subject matter.’

To be clear, the supplementary budget is to be dealt with in the debate on Bill No. 215 only. Therefore, the motion for the Member for Whitehorse West gave notice of, Motion No. 1024, is not in order and has not been placed on the Notice Paper.

Additionally, Motion No. 963, standing in the name of the Member for Watson Lake, has been removed, as the action requested in the motion has been taken in whole or in part.

The following motions, standing in the name of the Member for Klondike, have been withdrawn at the request of the member: Motions No. 807, 808, and 880.”

**SPEAKER'S STATEMENT****Provision of copies of a ministerial statement**

The Speaker made the following statement regarding the provision of copies of a ministerial statement.

“Standing Order 11(3.2) says: ‘Copies of the Ministerial Statement to be delivered that day shall be provided to the Speaker and the House Leader of each party in opposition to the government at least two hours before the opening of the sitting.’

Today, the minister’s office sent the ministerial statement by e-mail to the Speaker and House Leaders at 10:59 a.m. The statement was not received by the Speaker and the House Leaders until 11:02 a.m. – two minutes after the deadline.

It is my opinion that the Minister of Energy, Mines and Resources made an effort to comply with the Standing Orders, even if the effort was not successful. In the interest of the members who have prepared for this ministerial statement, I will allow it to proceed today despite the small delay in the copies being provided. But be warned, it is the responsibility of the minister to ensure that the Standing Orders are followed and members should not expect similar leniency in the future. Leaving things to the last minute is never a wise plan.”

**SPEAKER'S STATEMENT****Changes to the Order Paper – Withdrawal of motions**

Prior to proceeding with the Daily Routine, the Speaker made the following statement regarding a change made to the Order Paper.

“The Chair wishes to inform the House of a change made to the Order Paper. The Minister of Justice gave notice of Motion No. 1101 yesterday. The motion is out of order and has not been placed on the Notice Paper.

As I have ruled previously, including on March 13, 2023, ‘... out-of-order motions include motions seeking explanation, motions urging someone or something “to recognize” something, or motions urging someone or something to respect the role of something. As well, it is not in order to include within the text of a motion an argument in favour of the motion.’

A motion should not be argumentative or in the style of a speech.

I will remind members that each motion must be treated as if it will be brought forward for debate and could become an order of the House. Notices of Motions in the Daily Routine is not an opportunity to engage in debate or make members’ statements.”
