Select Committee on the Landlord and Tenant
Yukon Legislative Office
Box 2703 (A-9)
Whitehorse, Yukon

September 30, 2010

To Whom It May Concern:

We are writing to give our support to the submissions made by the Yukon Anti-Poverty Coalition and the Yukon Status of Women Council regarding necessary revisions to The Landlord and Tenant Act.

Three areas of particular interest are:

1. Accessibility of the law - People have to know their rights, how to make a complaint and have information available in plain language.
2. There needs to be a fair process for evictions.
3. There needs to be appropriate standards for quality and maintenance of rental units.

We commend YTG for implementing this community consultation and are hopeful that a revised Landlord and Tenant Act will serve the needs of both tenants and landlords.

Sincerely,

Leslie Robert
