April 30, 2019

Hon. Pauline Frost
Minister of Health and Social Services
P.O. Box 2703
Whitehorse, Yukon Y1A 2C6

Dear Minister Frost,

During our April 1, 2019 discussion during Committee of the Whole on the Department of Health and Social Services, I had asked a series of questions around the internal health review and the working group, or tiger team, that was conducting the review. You stated that the tiger team had concluded its work, and from that review, had found 14 inefficiencies from which it made recommendations.

As you did not have them on hand during our discussion in the House, you had committed to providing all 14 recommendations to the Legislative Assembly.

I ask that you provide the recommendations to both the Official Opposition and the Third Party as was committed to during departmental debate.

I appreciate your consideration and prompt response.

Sincerely,

Patti McLeod
