Hon. Sandy Silver
Office of the Premier
P.O. Box 2703
Whitehorse, Yukon Y1A 2C6

Dear Premier Silver,

Re: Electoral Reform

Thank you for your letter dated October 15, 2019 responding to my letter from October 9, 2019.

In my October 9th letter I indicated that I will wait until I receive a formal response in writing to my questions sent in previous letters before we set a meeting time. In your response of October 15th you have still not answered my questions. We have now sent you several letters with these questions and you have refused to answer them. I have appended these letters for your reference.

I can only assume that your reluctance to answer these questions in writing is an indication that you are not willing to work with the other opposition parties in good faith. We also continue to wonder if you are purposely trying to avoid having this electoral reform process be subject to access to information legislation.

As I stated previously, the Official Opposition would be happy to meet with you and the Third Party to have formal discussions surrounding this topic. We will continue to wait until we receive a formal response in writing to my previous letter and questions before we set a meeting time.

Sincerely,

Stacey Hassard
Leader of the Official Opposition

C Kate White, Leader of the Third Party
