RE: State of Emergency Extension

Dear Minister Streicker,

Firstly, we would like to thank you and Minister Frost for taking the time to meet with the Yukon First Nation Chiefs last week and for providing valuable insight into the many ways COVID-19 is impacting Yukon economies and communities. We appreciate the opportunity to provide feedback on the plans of action the Yukon Government is pursuing to keep Yukoners safe. We all agree that Yukoners must work together to keep our most vulnerable safe and healthy during this pandemic.

After considering all of the current available information at the meeting, Yukon First Nations have declared our support for the Yukon Government to extend the current state of emergency order for another 90 days. We strongly feel that this is an essential step in protecting our communities.

We look forward to continuing to work with the Yukon Government to support and protect our Yukon First Nations communities and all Yukoners.

Gunalchish,
