Members Elected to the Yukon Territorial Council or the Yukon Legislative Assembly 1900-2022 (as of June 30, 2022)

Section 5 of *An Act to Provide for the Government of the Yukon District (The Yukon Territory Act)* (1898) created a council of not more than six persons to aid the Commissioner of the Yukon Territory in the administration of the territory. This council was to be entirely composed of persons appointed by the Governor in Council.

In 1899 the Parliament of Canada amended the *Act* to increase the size of the council by adding two elected members to it. A further amendment in 1902 added three more elected members to the council. In 1908 the *Act* was again amended to provide for an entirely elected council of 10 members.

Prior to the 1978 general election, members were elected to the territorial council or Legislative Assembly as independent members. Some, however, had known federal political affiliations. That is what is noted in the 'Party' column for those members elected prior to 1978.

In the chart below, a member's term begins on the day the member is elected either in a general election or by-election. The member's term ends on the day the member resigns or dies, or the day before an election where a member is defeated at the polls or chooses to not run. "Service in days" is calculated to June 30, 2022.
