## Sitting Days by Calendar Year 1953-2020

From 1953 to 2001 the Territorial Council/Legislative Assembly sat for 2181 days, an average of 44.5 sitting days per calendar year. On November 19, 2001 the Legislative Assembly adopted Standing Orders that, among other things, limited the House to a maximum of 60 sitting days per calendar year. The new Standing Orders, which took effect at the end of the 2001 Fall Sitting, also allowed for 'special sittings' in excess of the 60 sitting days per calendar year. One-day special ceremonial sittings were held in 2003 and 2009 in Mayo and Dawson City, respectively. The House also held a one-day Special Sitting in 2017 in order to elect presiding officers and appoint standing committees.
