Dear Mr. Cathers:

Re: Written Question No. 25 (April 18, 2018) – Update on Status of the Fox Lake Local Area Planning Process

I am writing in response to your written question in the Legislature on April 18, 2018, requesting an update on the Fox Lake local area planning process.

In March 2018, a draft visioning report for the local area plan was released for public review. The visioning report is now being finalized by the steering committee based on the feedback received.

The next steps involve hiring a planning consultant to facilitate the final phase of the planning process, which will include development and review of land use concepts, policies and of the draft local area plan. Public engagement on draft plan concepts is expected to take place winter 2018/19.

If you have any additional questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Ranj Pillai".

Ranj Pillai
Minister of Energy, Mines and Resources
