Dear Mr. Hassard:

**Re: Written Question #12 – Yukon Resource Gateway Project**

I am writing in response to your questions dated January 12, 2017, inquiring about the Yukon government's efforts with respect to the Resource Gateway Project.

I can confirm the government is still pursuing federal government support for this project. During recent meetings in Ottawa, Ministers Pillai and Streicker, as well as Chiefs Sidney and Joseph, spoke with Minister Sohi about project. The Minister has indicated Ottawa will continue to be ready to respond.

As you will understand, effective collaboration with our First Nation and industry partners are fundamental to this project. The Yukon government will remain in touch with the federal government as we advance our collaborative work with the project partners.

Sincerely,

Richard Mostyn  
Minister of Highways and Public Works

cc: The Honourable Ranj Pillai  
Minister of Energy, Mines and Resource
