2. This legislative return relates to a matter outstanding from discussion with Mr. Hassard, Leader of the Official Opposition  on November 23, 2020 related to:

Bill No. 205  Second Reading  Third Reading  
 Committee of the Whole: 55  
Motion No. \_\_\_\_\_ RE: Regional Economic Development Exceptions  
at page(s) 1996 of Hansard.

The response is as follows:

Mr. Hassard: I apologize if the minister answered this question, but there was a lot of stuff there and it got a little bit scattered, maybe but I understand that he said that there have been five tenders let, totalling \$2.8 million, and there are five to go if I'm not mistaken. So, I am wondering if we could get some information on what those individual tenders were, how much each one was, and what he anticipates the next five exemptions to be used for before the end of the year.

Hon. Mr. Mostyn: I will endeavour to get that material to the member opposite.

Response:

The five projects that were awarded in the 2020-21 fiscal year are:
