2. This legislative return relates to a matter outstanding from discussion with Ms. Hanson, Member for Whitehorse Centre on December 7, 2020 related to:

Bill No. 205 Second Reading Third Reading
 Committee of the Whole: Vote 07
 Motion No. _____ RE: Yukon Community Program (YCP)
 at page(s) 2261 of Hansard.

The response is as follows:

Q: "Who has the responsibility to ensure adequate housing for [Yukon Community Pilot] employees who are taking a rather vulnerable — potentially vulnerable — assignment to go to work for up to three employers in a community?"

A: The Yukon Community Program (YCP) is an employer-driven economic immigration program intended to fill labour market shortages. YCP applications are assessed based on the prospect of long-term settlement of foreign workers in communities. The nominating employer must provide Yukon with confirmation that the following settlement initiatives are in place:

1. A community host has been designated to introduce the nominee to people, organizations and events in the community and to regularly meet with the nominee to help resolve concerns and answer questions.
2. A housing plan has been provided for the foreign worker.
3. Arrangements have been made with the worker to obtain healthcare, social insurance number and other information for example: education requirements for minor dependents.
