2. This legislative return relates to a matter outstanding from discussion with Ms. White, Leader of the Third Party on November 19, 2020 related to:

Bill No. \_\_\_\_\_  Second Reading  Third Reading  
 Committee of the Whole: witnesses from Yukon Hospital Corporation \_\_\_\_\_  
Motion No. \_\_\_\_\_ RE: non-unionized hospital employees  
at page(s) 1976-77 of *Hansard*.

The response is as follows:

***"How many positions have been created in the last two years within the [Yukon] Hospital Corporation that are not represented by a union? ... maybe with time and distance we could look into what that number is and if I could get a list of those positions as well."***

Yukon Hospital Corporation (YHC) employees not represented by a union include positions that are a mix of Management and Confidential Exclusions. The primary difference between these is that Management personnel have leadership accountabilities and Confidential Exclusion personnel provide administrative support services that meet the criteria as outlined in the *Canada Labour Code*.

In 2018-19, 1 new position was added:

- Manager, Organizational Development (Management)

In 2019-20, 4 new positions were added:

- Manager, Corporate Responsibility (Management)
- Quality Assurance Coordinator (Confidential Exclusion)
- Policy Analyst (Confidential Exclusion)
- Organizational Development and Learning Consultant (Term - Confidential Exclusion)

As a comparison, our PSAC bargaining unit increased by 77 employees in 2019-20, including new LPNs, HCAs, and COVID-related positions, such as screeners. Our PIPSC bargaining unit increased by 6 employees which were new Registered Nurses.
