

YUKON LEGISLATIVE ASSEMBLY
PETITION
No. 34-2-A
April 9, 2019
having the services offered

THEREFORE, the undersigned ask the Yukon Legislative Assembly to urge the Government of Yukon to work with officials to end this crisis and to immediately consider allocating funds from the Health and Social Services budget to the funding proposal from the Community Counselling & Support Services Society.

[illegible]

[illegible]

To the Yukon Legislative Assembly:

6

This petition of the undersigned shows:

THAT there is an overwhelming number of community members interested in having the services offered by Many Rivers Counselling and Support Services being restored after months of turmoil, and

THAT community members have come together to develop a new Community Counselling & Support Services Society that would like to open its doors as soon as possible to fill the need for counselling support to Yukon residents;

THEREFORE, the undersigned ask the Yukon Legislative Assembly to urge the Government of Yukon to work with officials to end this crisis and to immediately consider allocating funds from the Health and Social Services budget to the funding proposal from the Community Counselling & Support Services Society.
