2. Mr. McRobb (Motion #56)

THAT this House urges all Yukon Government Ministers to uphold the need for greater accountability by expeditiously informing the House about any potential conflict of interest issue that could interfere with or prevent a Minister from speaking to any matter within the Minister's area of responsibility, to briefly explain the conflict, and to designate an alternate Minister who can speak to the matter in the Assembly.

3. Mr. McRobb (Motion #57)

THAT this House requests that the Canada Post Corporation apply the same exemption to postal junk mail screening for Members of the Yukon Legislative Assembly as it does for Yukon's Senator and Yukon's Member of Parliament.

4. Mr. Cardiff (Motion #58)

THAT this House urges the Yukon Government to immediately appoint a public commission, representative of Yukon's demographic makeup, to hold public hearings and recommend options for reform of Yukon's electoral system, to enable Yukon electors, if necessary, to participate in a referendum on electoral reform no later than December 31, 2008.

5. Mr. Edzerza (Motion #59)

THAT this House urges the Yukon Government to advise members of the Democratic Party majority in both Houses of the United States Congress of the urgent need to pass legislation that will provide permanent and inalienable protection of the Porcupine caribou herd and its habitat, which includes areas of calving, post-calving, migration, wintering, and insect relief as stated in the 1987 international agreement.
