THAT this House urges the Government of Canada to respect, protect, and fulfil the human rights of Aboriginal girls and women consistent with the United Nations' Convention on the Elimination of all Forms of Discrimination Against Women and the United Nations' Declaration on the Rights of Indigenous Peoples, by:

- (1) holding a public inquiry into the cases of more than 600 Aboriginal, Inuit and Métis missing and murdered women and work with the Native Women's Association of Canada and other representative groups who have petitioned for such an inquiry,

2. Mr. Tredger (Motion #275)

THAT this House urges the Government of Yukon to:

- (1) implement an immediate moratorium,
- (2) conduct a full and rigorous scientific review; and
- (3) conduct a public consultation, on the effects and desirability of hydraulic fracturing, also known as "fracking", before any regulatory approvals or permitting is allowed in Yukon.

3. Mr. Silver (Motion #276)

THAT it is the opinion of this House that:

- (1) a Government of Canada and a Canadian Radio-television Telecommunications Commission (CRTC) decision mandating that over-the-air television transmission must switch from analog to digital has left many Yukoners without access to CBC television,
- (2) Yukoners who haven't been a cable or satellite customer in the last 90 days may be eligible for a Local Television Satellite Solution program currently being offered by Shaw Direct,
- (3) this program, which expires November 30, 2012, allows consumers to continue receiving the same or similar Canadian over-the-air channels for free; and
- (4) the Government of Yukon should promote this program to ensure Yukoners continue to have access to CBC Television.
