**GOVERNMENT MOTIONS**

1. Hon. Mr. Dixon (Motion No. 212)

THAT this House urges the Government of Yukon to continue to work with industry, First Nations, and non-governmental organizations to:

- (1) attract investment to Yukon; and
- (2) encourage the development of responsible economic projects.

2. Hon. Mr. Kent (Motion No. 213)

THAT this House urges the Government of Yukon to work with Yukon College, the Yukon Mine Training Association, and the mining and exploration industries to train and develop a skilled work force made up of Yukon residents to meet the current and future needs of the mining and resource sectors.

3. Hon. Mr. Cathers (Motion No. 215)

THAT this House urges the Government of Yukon to continue to work with the Yukon Water Board and the Yukon Environmental and Socio-economic Assessment Board to improve Yukon's assessment and regulatory processes.

4. Hon. Mr. Pasloski (Motion No. 216)

THAT this House urges the Government of Yukon to preserve and maintain the Free Entry System of mineral allocation in Yukon.

5. Hon. Mr. Nixon (Motion No. 219)

THAT this House urges the Government of Yukon to continue to work with Public Safety Canada and the Royal Canadian Mounted Police to:

- (1) implement the new twenty-year agreement with the Government of Canada for the provision of police services,
- (2) support the RCMP in the provision of a professional, effective and efficient territorial police service that is responsive to the needs of all Yukon communities,
- (3) address street crime; and
- (4) implement the recommendations of the *Sharing Common Ground* report.

6. Hon. Mr. Nixon (Motion No. 376)

THAT this House urges the Government of Yukon to recognize the important role that arts and culture play in contributing to the social and economic life of Yukon by providing assistance to arts and cultural organizations and Yukon artisans and by promoting exhibits, concerts, festivals, and multicultural events and programs.

7. Hon. Mr. Kent (Motion No. 487)

THAT this House urges the Government of Yukon to ensure there is a continuing and abundant supply of clean and affordable power in Yukon in order to promote responsible and sustainable economic development, by:

- (1) directing the Yukon Development Corporation, as the agency designated by legislation as responsible for assuring a continuing and adequate supply of energy in Yukon, to commence the research and planning of a new hydroelectricity dam, based on the principles of scalability, environmental responsibility and First Nations engagement, as the centrepiece of a clean power future for Yukon;
- (2) exploring additional renewable sources such as wind and biomass as potential complements to the existing hydro-based grid;
- (3) exploring alternative sources that are cleaner and more affordable than diesel to facilitate the reduction of diesel consumption in those communities not connected to the existing hydro-based grid; and
- (4) ensuring there is a continuing supply of fossil fuels as a backup source to the hydro system and;
- (5) pursuing sources that are cleaner and more affordable than diesel for backup wherever possible.

8. Hon. Mr. Dixon (Motion No. 562)

THAT this House urges the Government of Canada, after receiving legal clarity from the Supreme Court of Canada, to consult with all provinces and territories on options for reforming the Senate of Canada.

9. Hon. Mr. Pasloski (Motion No. 755)

THAT this House urges the Government of Yukon to encourage parents, teachers, and Yukon's community as a whole to promote financial literacy and responsibility in Yukon's youth from an early age.

10. Hon. Mr. Pasloski (Motion No. 820)
