1. Motion No. 133

Mr. Cathers, Member for Lake Laberge

THAT this House urges the Yukon government to:

- (2) provide a timeline for when Yukoners can expect to be able to receive a third shot.

2. Motion No. 134

Ms. McLeod, Member for Watson Lake

THAT it is the opinion of this House that a key part of being able to heat homes with wood and reduce fossil fuel emissions by converting to biomass heat is the ability of local woodcutters and haulers to operate without the Government of Yukon erecting barriers to harvesting wood in Yukon and hauling wood on Yukon highways.

3. Motion No. 135

Ms. Van Bibber, Member for Porter Creek North

THAT this House urges the Minister of Education and the Minister of Highways and Public Works to report on which woodworking shops in Yukon secondary schools are currently shut down because the woodworking shops lack functioning dust-collector systems and provide a definitive timeline on when they will be reopened.

4. Motion No. 136

Ms. White, Leader of the Third Party

THAT this House urges the Yukon government to offer emergency support to the Government of Nunavut and the City of Iqaluit in dealing with their state of emergency due to contaminated water.
